Students Advised: None at the *Undergraduate level*

Graduate Level (on 3 Doctoral Committees)
2 of the 3 completed PhD

Superintendent Certification (6 no Committees)
5 of the 6 completed Certification

Materials Developed:

Workbooks & Manuals: Created the course syllabus and entire contents for each of the above 18 classes taught in the three Universities during 1985 to the present.

Web Pages: None for the classes taught

Video Production: Created utube videos for five of the classes taught for the U of I as a part of the assignments that were accessible through BbLearn.

Displays and Posters: All classes are taught on-line, so no need to create ones for use in a classroom. Many displays made that are used on the BbLearn discussion board.

PowerPoint/Slide Presentations: All classes are taught online. A lot of PP presentations are created to use for explaining experiences which would have been done in a live class. Example in the Facilities class is a tour through schools using PP and utube presentations.

Courses Developed: Created the course syllabus and developed entire contents for each of the above 18 classes taught in the three Universities during 1985 to the present.

Presentations, Workshops, Seminars, etc.: Created PP presentations and spoke (on behalf of UI) at the following:

- Idaho School Boards Convention (2016 - 2019)
- Idaho Education Law Seminar (2017 - 2019)
- Idaho School Superintendents (2016 - 2019)
- Idaho School Supt. Networks (2016 - 2019)
