

Internationally Acclaimed Pilates Program

Get Pilates Certified and Start Earning Income

SUMMER 2023 PROGRAM

BASI's Comprehensive Pilates program is your gateway to becoming a pro. From anatomy and biomechanics to teaching and management skills, our holistic approach covers everything you need to succeed. Whether you're a fitness enthusiast or an aspiring instructor, BASI's program is your path to mastering Pilates and thriving in the industry.

EXCLUSIVE OFFER FOR U OF I STUDENTS

BASI's Pilates program enables students to earn money teaching Pilates with high hourly wages and set their own hours. The tuition pays for itself in no time, and certification empowers students to practice and teach wellness, making a positive impact on their communities.
